Little Lego Builders Mondays, 3:30pm – 4:30pm Ages 3-8 \$120

Since 1958 colorful Lego's have brought joy to so many little boys and girls. The focus of our new program will be to have FUN but with the fun comes the need for kids to respect each other's creations. Important social skills such as sharing, taking turns and encouraging others will be enforced. After the kids have finished their masterpiece they will share with the group what they have made and why. Listening to each other is another important lesson they will learn.

Little Cheerleaders Thursdays, 3:30pm – 4:30pm Ages 3-7 \$120

Give me a Z! Give me an I! Give me an O! Give me an N! What does it spell? ZION!
Cheers, chants, motions and jumps are all part of what your child will learn in this Cheerleading after school program. Miss Tori, a cheerleader herself, has the knowledge and skill to teach simple cheers and motions to the children.

Little Chefs Thursdays, 3:30pm – 4:30pm Ages 3-7 \$150

Children from any age can help in the kitchen and learn culinary skills. It might be scary and stressful to imagine your kids in the kitchen. Are you saying to yourself: cooking lessons? NOT in my kitchen! Your aspiring chef will be introduced to cooking, table manners and kitchen safety here in Zion's kitchen! Each session NEW foods are made. Some examples of what the children have made: meatball heroes, calzones, pizza, baked ziti, ham and eggs, quesadillas, grilled cheese and a new homemade dessert every time!

Little Dancers Tuesdays, 3:30pm – 4:30pm Ages 3-6 \$120

Does your little one want to dance but you don't want to commit to weekly dance class for the entire year and the expense of the costume for the end of year recital? Well, this is for you.

If your 3rd grader is taking the State ELA and Math exam this year then this is a great opportunity for them to review all subject areas that will be on the exams. There will be individualized as well as group instruction for forty-five minutes. The children will play in our playground for some fun for the last fifteen minutes. Our teacher has a Master’s Degree in Literacy and is eager to run this after school program.

ZION PRESCHOOLERS who attend an afternoon preschool class will be brought to the after school program! All other children should arrive at the GYM door at 3:30. A minimum of five children need to be enrolled for the program to take place. You will be notified if this requirement is not met.
